

FRACTIONAL CPO

Package Summary

BEST FOR: SMALL-MEDIUM COMPANIES (SME'S)

Perfect for businesses going through transformation, needing department head gap-cover, or implementing new technology. Faster, more agile and cheaper than traditional consulting, the Fractional CPO program gives you instant executive experience, size-appropriate strategies and a sustainable roadmap where benefits are seen within 90 days. The program starts with a maturity assessment followed by a joint planning session to produce the initial 90-day sprint using the L.E.A.P. methodology. The best part? We direct the program so you don't have to - freeing you up to focus on growing your business.
